The Sacramento Metropolitan Arts commission and SMUD present *I CAN DO THAT!* an exhibition featuring student artwork produced through a program with the same name at VSA arts of California.

VSA arts is a non-profit organization serving individuals with children of all abilities. Each year, 3,000 students at 60 schools in the Sacramento City Unified School District participate in an artist-in-schools program, generating thousands of works of art. The exhibition at SMUD includes more than 40 paintings, drawings and mixed media works by individual artists as well as group projects culled from this year's program.

The exhibition is on display from January 12 – February 27, the public is invited to a reception on Friday, February 20, 5:00 – 7:00 pm.

SMUD Art Gallery is a partnership between the Sacramento Municipal Utility District and the Sacramento Metropolitan Arts Commission with additional support from the City and County of Sacramento.
